**MSD Notice of Construction Completion
ESTE AVENUE CSO FLOOD REMEDIATION PROJECT
In City of Cincinnati, Hamilton County, Ohio**

Cincinnati, July 14, 2006 – Managed by the Metropolitan Sewer District of Greater Cincinnati (MSD), TT Maintenance and Contracting, Inc. substantially completed the Este Avenue CSO Flood Remediation Project on June 30, 2006.

The project is located at 5578 Este Avenue, in the Winton Terrace neighborhood of the City of Cincinnati. Construction consisted of connecting into an existing sewer manhole and installing approximately 126 feet of 36 inch diameter ductile iron pipe gravity flow sewer, one manhole and weir, headwall, grouted riprap, and ancillary work. The construction cost of the project was \$55,085.00.

This project is part of MSD's Wet Weather Improvement Plan, and is part of MSD's ongoing Capital Improvement Program (CIP), which is focused on continually updating and improving the operation of MSD's wastewater collection and treatment systems.

Every day, the Metropolitan Sewer District of Greater Cincinnati (MSD) manages the effective collection and treatment of more than 200 million gallons of wastewater and actively maintains 3,000 miles of sanitary and combined sewers that run through the 49 municipalities and townships of Hamilton County. Owned by Hamilton County and operated by the City of Cincinnati, MSD is committed to continually maintaining and improving its wastewater collection and treatment systems for the betterment of both public and environmental health.
